

Timber Flooring Installation, Sand and Finish, Repair and Recoat School

About the Fundamentals School

This school introduces the best installer, sander and finisher in the USA (Daniel Boone), who overseeing our Australian experts will demonstrate and get you involved in the techniques they have refined over many years. As the name suggests they will conduct various activities including timber flooring installation, sanding and finishing, repairing and recoating. Don't be fooled by the title, it's a school for everyone and you will learn new skills!

This team of instructors have successfully been conducting this course for some years and the feedback is amazing. Their style of delivery and the way they get you involved is exhilarating.
