

Timber Flooring Installation, Sand and Finish, Repair and Recoat School

About the Intermediate School

This hands on workshop introduces some of the best installers, sanders and finishers in the USA together with Australian experts who will demonstrate and get you involved in the techniques they have refined over many years. As the name suggests they will conduct various activities including timber flooring installation, sanding and finishing, repairing and recoating.

This US instructors have successfully been conducting this course throughout the United States for many years and the feedback is amazing. The style of delivery and the way they get you involved is exhilarating.
