

# TIMBER FLOORING INDUSTRY EVENT

PRESENTED BY ATFA NSW  
STATE STANDING COMMITTEE

The most informative trade event this year is just around the corner. And it's FREE!

ATFA NSW State Standing Committee invites you to come and listen to ATFA's Technical Manager David Hayward and Sika Australia's Market Field Manager, Sealing and Bonding and Regional Construction Manager QLD & NT, Denis Gray talk on *Acoustics in Timber Flooring*, plus get the latest information on adhesives, find out how best to care for your sander, and learn about floating floor finishes for pre-engineered floors and water based timber floor coatings.

### 3 reasons why you should attend:

1. Informative product presentations
2. Material and machinery information
3. A chance to **win 1 of 3 5Litre Intergrain Floating Floor Finish - Water based coating** for pre-finished timber floors without the need for sanding valued at \$100.

**Come and enjoy complimentary food and beverages.** Mix with your peers and catch up on the latest news in your industry. Speak face-to-face with manufacturers and have your questions answered.

This invitation is open to ATFA members and non-members, so please pass this invitation on to anyone who may be interested. All you need do is let ATFA know your number of guests when you register for catering purposes.
