

GLACIALOAK

ASH

**High quality,
Australian
owned and
manufactured,
engineered
timber flooring.**

Learn more about
the ASH
Engineered
Flooring range:

Our highly anticipated, new and improved engineered flooring is here, and it's better than ever. We've combined beautiful, sustainably-managed hardwood with an innovative LED coating and a super stable substrate, manufactured to the quality you'd expect from Australia's leading hardwood manufacturer.

The result is a timber floor of stunning architectural appearance that increases stability and speeds up installation, offering a financial saving in both time and materials.

Now available is Glacial Oak in 2.38m lengths with 185x15mm dimensions including a 4mm top wear layer. Choose from a selection of beautiful colors to match your design needs, you'll love the look and durability of the only pre-finished Australian-made engineered flooring on the market.

And there's more to come - Australian Oak will be available very soon!
