AUSTRALIAN NATIVE

BY HURFORD'S

The Australian Native pre-finished range features a matte finish to achieve a floor that's earthy and effortless. Consistent in quality and structural stability, Australian Native is constructed using a low shrinkage, ecofriendly Hevea core and a tough Australian hardwood lamella. Our Bona lacquer system delivers a floor finish similar to a stylish oiled floor but with the durability and protection a UV lacquer offers.

GENUINE OAK

BY HURFORD'S

With the addition of two stunning new stains, Wheat and Caramel, Hurford's Genuine Oak has expanded to a total of 21 distinct shades, plus a pre-sanded RAW option designed to be custom stained and finished on site.
