

## **Parkside Timber flooring adds natural beauty to any residential or commercial project.**

**Queensland Spotted Gum • Grey Ironbark • Red Ironbark  
Queensland Forest Gum • Mixed Blends • Australian Chestnut  
Wormy Chestnut Southern Ash • Karri • Jarrah**

- Available in an extensive range of species ranging from light to darker hardwoods.
- Parkside Timber flooring includes a stunning range of tongue and groove solid timber flooring that can be matched to renovated floors or prepared for new floor construction.
- Hardwood flooring is easy to care for once installed and sealed. Maintenance is low with just routine sweeping.
- Excellent for asthmatics and hay fever sufferers as it is not conducive to dust mites and other allergens.
